Why are you saying 'hi' when we already saw each other this morning?
Oh, right.
Why did you decide to come home separately? Were you planning on staying at school?
I had some other business.
FIT

Shojo Manhwa Scene
Hey...
I'm sorry that I lied, honestly there's nothing between Sunbae and me. Even if you're not interested, I just wanted to let you know it was a misunderstanding.
R-really?
You don't have to apologise. I was never angry.

Shojo Manhwa Scans

Yeah.
Anyway, never mind that, I need to borrow Tuna for a bit.
Uh.
Huh? What do you mean by 'borrow'?
M-my friends

My friends want me to bring him so they can see him.
Those guys really like babies.

I see
How long are you going to be out for? It's cold at night.
We're going to be indoors.
Why? Can't I take him?
Of course you can, you are his father.
I got it, just pack a few things that he needs.
How about I go with you?
It's fine!

Only guys are going to be there, that's why I'm taking Tuna.
Oh, I see.
Just wait a minute, I'll pack you some diapers and milk.
Phew.
Don't follow me.
I'll just follow you to the entrance

His friends wanted to see him, so he took him.
Anyway, gradfather and mother seem busy lately.
Do you think they're some low end worker? Of course they're busy.

You were starving, weren't you?
Are you taking good care of him? It's hard to play while taking care of a baby isn't it?
